'Row over gate led to baseball bat attack'

■ **TACKLE THAT** ... a game of tag rugby between the boys and girls was among the events at a fun day held by Haverhill Rugby Club on Bank Holiday Monday. **More pictures and story, see Page 3.**

A HAVERHILL man accused of hitting his neighbour so hard with a baseball bat that it broke in half claims he was acting in self defence.

At Ipswich Crown Court, Ian Bennett-Hayward denied that he started an incident outside his home in which his neighbour, Nicholas Vaughan, suffered a head injury that required stitches.

Bennett-Hayward, 23, denies a charge of assault occasioning grievous bodily harm.

The jury, which was expected to retire yesterday, to consider its verdict, heard prosecution allegations when the trial opened on Monday that Bennett-Hayward had lashed out at Mr Vaughan when he went to complain that a gate had been left open on an evening in February.

It was as Mr Vaughan turned to leave that he was struck on the back of the head with a baseball bat, so hard that the bat broke into two pieces, claimed prosecutor Nicholas Cotter.

That blow was followed by others and both men became engaged in a fight.

The court heard that Bennett-Hayward had complained to the police following the incident, claiming that he had been the victim.

In his defence, Bennett-Hayward said that he had been the innocent party when Mr Vaughan had arrived at the door of his house in Trefoil Court, Haverhill. He denied that he had started the fight and insisted that throughout he had acted purely in self-defence, with the violence instigated by Mr Vaughan.

Claims that he had struck Mr Vaughan from behind with a baseball bat were untrue, said Bennett-Hayward, as was an allegation that he had afterwards continued to land blows on Mr Vaughan.

It had been a friend who was at his house who broke up the fight and told Mr Vaughan that he should go home, said Bennett-Hayward.

In a statement read to the jury, forensic scientist Katherine Whitmore said that blood found on the broken baseball bat matched that of Mr Vaughan. She said there was only a one in a million chance that the blood had not been his.

GCSE students set up record exam results

BY Jo Deeks

Email: editorial@haverhillweeklynews.co.uk

STUDENTS at Haverhill are celebrating a record year for GCSE results.

Castle Manor Business and Enterprise College saw a dramatic increase in grades to produce its best ever results.

The school doubled last year's figure with 56 per cent of students achieving five A* to C grades this year.

At Samuel Ward Arts and Technology College 63 per cent of students attained five A* to C grades and 93 per cent five A* to G grades, compared with 58 per cent last year.

Madeleine Vigar, head teacher at Castle Manor, said: "These are tremendous results and are a huge credit to our students and their families. The results demonstrate the high standards achieved through excellent teaching."

"The students are the first to benefit from Castle Manor's new curriculum. These young people have worked hard, enjoyed their studies and gone on to achieve superb GCSE results – a passport to future learning and success. We at Castle Manor Business and Enterprise College are all very proud."

John Knighton, deputy head at Samuel Ward, said: "These are a superb set of results, continuing our steady year on year improvement over recent years. We exceeded our target grades with all pupils achieving as well or better than expected, and everybody got something. The six accelerated learners from Year 10 all performed very highly and these grades will be included in next year's results."

Outstanding results at Castle Manor included Leis Jones, who was awarded one A*, seven As and

two Bs, Eleanor Morley received one A*, three As, five Bs and two Cs; Lauren Ballie four As, six Bs and two Cs; Thomas Archer four As, four Bs, two Cs and one D; Grace Lee one A, six Bs and four Cs; Kyle Smith one A, three Bs and seven Cs; Zoe Lester eight Bs and four Cs and Mark Jones four As, two Bs and two Cs.

Students who did particularly well in relation to their prior attainment by gaining five A* to C grades were Harry Coker, David Norrington, Richard Jolley, Victoria Johnson, Lisa Tucker, Ryan Clark and Nicole Thompson.

got five A*s and two As, Alex Flood got two A*s and nine As as well as AS art, Chloe Prickett got one A* and eight As, and Emma Wallace got four A*s and four As.

Twins Hannah and Lauren Salisbury from Clare gained identical results with five Bs and Six Cs. Hannah said "We had to do the same subjects because we both want to go into the health. We're really pleased and are going to West Suffolk College to do a national diploma in health studies."

Rhiannon King, 15, of Dovehouse Road, Haverhill, managed to get three A*s, four As and five Bs even though she took her exams a year early. Already a keen air cadet, she plans to continue her studies at university towards her ambition of becoming a helicopter pilot.

She said: "I shall probably go to university then join the forces. I would really like to be a search and rescue pilot and enjoy the challenge of it."

Castle Manor student Alfie

Allin gained an A at AS level a year early last week, then went into hospital for an operation to remove a cyst from his arm, before finding out that he had three A*s, five As and one B in his GCSEs.

Lauren Ballie, who gained more GCSEs than any other student at Castle Manor, said: "I took English literature because I was not sure how well I would do at English language, but in the end I got an A. I did much better than I expected and I am really pleased. I am going to do four A levels and then do something in design or advertising."

Marie Lancaster of Queensway, Haverhill, got an A in English literature a year early.

Lee Mayes, who is a member of Haverhill Silver Band, sat music a year early and got an A. Lee, who is chairman of the Castle Manor Student Council, and a member of the Centre Stage drama company, said: "I would like to be a professional musician, but I will probably be a music teacher."

Visitors scale the heights at town fayre

ADVENTUROUS souls can test their head for heights on a nine metre high climbing wall.

The wall will be a major centrepiece at the annual Thurlow fayre on Sunday.

The event will take place at Great Thurlow recreation ground from 1-

4pm and, with the aid of trained supervisors, visitors from the novice to the more experienced are encouraged to have a go climbing or abseiling the wall.

Other main ring attractions will include David Seemark's sheep dog display, Suffolk Punch hor-

ses from Rede Hall and hopefully the return of ferret racing. There will also be majorettes and country dancing.

The tug-of-war promises to be a major spectacle, as the team from Linton Waggon and Horses pub are expected to defend their title. Last

year they donated their prize money, sponsored by Haverhill Physiotherapy Clinic, to East Anglian Air Ambulance, but past winners Haverhill Fire Service are certain to mount a strong challenge. Other teams are invited to enter. There will also be a car

boot sale and side stalls including the bottle stall, where Barclays Bank will match funds raised with half of the proceeds going towards the neonatal baby unit at Addenbrooke's Hospital. Proceeds are divided between the church and village groups.

Cinema builders dig in

A GROUNDBREAKING ceremony will celebrate the start of construction work on a £10m cinema complex.

Contractor BDB Design Build Ltd moved on site at the end of August and has since been carrying out preparatory work.

On Monday, representatives from St Edmundsbury Council and Citygrove Securities Plc, which are working jointly on the Haverhill project, will join them for a small groundbreaking ceremony in Ehringshausen Way.

Coun John Griffiths, council leader, said: "There is a lot happening and these are exciting times in Haverhill.

"This ceremony marks another important step forward.

"I am sure everyone in the town and the surrounding areas will keep a close eye on work as it progresses and, like me, will enjoy using the whole complex once construction and fit-out have been completed."

The scheme will see a five-screen cinema, three retail units and a drive-through restaurant built on land next to the leisure centre.

More than 400 car parking spaces will be created, with environmental enhancements to improve the area.

KFC, Subway, Prezzo and Frankie & Benny's will fill the retail and restaurant units. Work on the complex, which will provide 110 new jobs, will be complete by August 2008.

Rugby fun day on the ball

RAIN might have washed out a rugby club's fun day in May but the sun shone as crowds returned for a rematch on August Bank Holiday Monday.

Haverhill Rugby Club hosted a tag rugby contest and a place kicking competition at

their Castle Playing Fields ground. Organisers said the event was a great success and raised a healthy profit for club funds. There was also a barbecue, a gladiator duel, a bucking bronco, golf and a bouncy castle. The club has a women's

tag team and several mixed youth teams for players aged five to 12-years-old.

Training starts on September 15 and people interested in joining the men's, women's or youth teams should ring (01440) 702 871.

Council going green with new depot plan

HAVERHILL'S new council depot, due for completion next May, will be environmentally friendly and also reduce car journeys for staff.

Work has already started on the new £1.7 million base for the parks and landscapes and waste management services of St Edmundsbury Borough Council on land off Haverhill by-pass.

The majority of the cost has been met by the sale of the existing council depot at the former station yard in the town centre.

Work started on site in July under an existing planning permission, but a new application making some small amendments to the internal layout is expected to go to the development control committee in October.

A council spokesman said: "The building will be modern and fit-for-purpose, and will

BY Jo Deeks

Email: editorial@haverhillweeklynews.co.uk

provide an excellent facility from which we can meet operational needs in a growing and thriving town.

"We can't comment on the price the land was sold for because of commercial sensitivity. We will stop using the old depot when the new one is built."

The new depot will have double the insulation required by legislation, an air source heat pump, which uses heat from the air to warm the building so there is no need for a gas boiler, and rainwater harvesting for use in toilets, for washing lorries and watering plants.

Its new location will mean that refuse freighters and other vehicles, a total of eight heavy goods vehicles and six light goods

vehicles, will no longer have to start their journeys from the town centre. The site management at the depot will promote a car sharing scheme for the 38 staff members, who will also be encouraged to walk or cycle to work.

The new depot, at a site at the junction of the A1017 and Homefield Road, will include two new buildings, a canopy over a fuelling bay, a waste transfer area and an oil tank.

A statement in the planning application for the site said: "As part of a larger scheme it is the borough's intention, by moving a facility with relatively low vehicle use from a prominent town centre site to a peripheral location.

"Fewer car miles will be driven by users of the proposed retail site compared to the workforce travelling to the site on Homefield Road."

Spate of thefts

A NUMBER of burglaries and reports of damage were made in Haverhill over the Bank Holiday weekend.

Six overhead projectors and their remote controls were taken from Burton End Community Primary School between 8am on Sunday and 8.30am on Monday. The School Lane premises were broken into by forcing fire doors.

Three monitors, two fax machines and stamps were taken by thieves who broke into an office in the High Street by forcing a window between 3.30pm on Saturday and 8.45am on Tuesday.

Anyone with information about these burglaries should call Pc Andrew Green at Haverhill Police on (01284) 774 100.

At Mill Road, between 7.45pm and 11pm on Saturday, a blue Vauxhall Corsa was dented and its wing mirror broken off while it was parked in the street.

Jobs coming to new store

BY Jo Deeks

Email: editorial@haverhillweeklynews.co.uk

UP to 500 jobs could be created when a controversial super-market finally opens in 2009.

The 6,000 sq ft Tesco store on the former Station Yard site in Haverhill was granted planning permission in January, despite strong local opposition and the failure of a plan by Haverhill Chamber of Commerce for an alternative access road into the site.

Many local traders feel the high proportion of non-food items to be stocked in the store and poor pedestrian links with the rest of the shops mean it will kill off trade in the town centre.

Michael Kissman, director of corporate affairs for Tesco, said final details of the store were still being worked out, including the best ways to improve links to the town centre.

It is hoped construction work on the store would start early next year and to have it open by early the following year.

Mr Kissman said: "It is taking longer than we had hoped, but we want to make sure everything is done properly and get it right. We believe it will have a beneficial effect throughout the town, but we recognise the importance of links with the town centre.

"We hope to have a successful business and also to create up to 500

■ **JOBS BOOST** . . . the new Tesco store could create 500 new jobs.

full and part-time jobs, as well as operating a student scheme.

"Nearer the time of opening we will be doing market research to make sure that we have what local people want in the store."

Big heart

GENEROUS residents of a small housing estate raised £54 for Cancer Research UK from a garage and table top sale on Sunday.

Residents of the Downs estate at Haverhill describe their estate as "a small community with a big heart".

Home plan

PLANS to demolish a garage in Wishing Well, Sturmer Road, Kedington, and build a two-storey home in its place have been submitted to St Edmundsbury Borough Council.

Plea to clear up mess at pitches

Sir, With the football goal posts going up this week on the borough council pitches, which heralds the start of the local football season, may I make a request to all the dog owners who walk their dogs on the playing fields, now designated as football pitches, to please clear up your dog excrement after exercising your animal and deposit said

excrement in the appropriate bin. Hopefully the football teams will take similar measures in respect of their litter, clear up your mess lads and lassies after your game please.

The pitches are looking really good thanks to the work done over the summer by the St Edmundsbury Borough Council landscape team.

In conclusion, to all the local football teams using the council pitches, I wish you all a good season, and just a reminder – the council's football changing room facilities are now non-smoking areas.

Cat set to make an entrance

A GINGER cat who was well-known around Haverhill town centre will be fondly remembered in a sculpture forming part of an impressive granite seating area. A sculpture of Owen the cat, along with several mice, is to be incorporated in the seating which forms part of a major revamp at Jubilee Walk. A plaque in memory of Owen will also be included.

Workmen used a crane on Tuesday to winch in parts of the new seating which weighs a massive 22 tons.

The £460,000 project to enhance the area is due for completion next month and was designed to give the entrance into Haverhill, next to the town's bus station, a special character and identity.

Stone used for the seating was specially imported from China and an artist was commissioned to create the sculpture.

Work on the area has been plagued by delays caused by bad weather while also trying to keep the space open for use. Some of the paving had to be re-laid and the area is also due to be "spring-cleaned" before the official unveiling.

Patsy Dell, head of planning and engineering for St Edmundsbury, said the granite was bought from China because they offered the best price.

She added: "The cat and the mice are a bit of fun but also a bit of local history to include in the scheme."

"We will make sure these improvements are of the highest quality and the unique design will also give the area a distinct character and identity which will help to mark the town apart from its neighbours."

"We thank people for their patience so far – the end result will be worth it..."

Police to extend 'staysafe' patrols

EXTRA police officers will continue to patrol the streets of West Suffolk until mid-October as an operation to tackle violent disorder has been extended.

Operation Staysafe was launched in May and since then incidents of serious violence in public places have fallen by 12 per cent compared to the previous year.

Due to its success, the operation will continue with extra patrols and troublemakers will face an £80 fixed penalty ticket or

BY Jo Deeks

Email: editorial@haverhillweeklynews.co.uk

a night in the cells. Supt John Brighton, who is leading the campaign, said it had built on the success of the Christmas operation of the same name, giving the public help and information for them to have a safe, enjoyable night out, while dealing firmly with those who chose to cause trouble.

Supt Brighton said: "Operation Staysafe has played a big part in the reduction in serious crime."

"Getting an £80 fixed penalty

ticket seems to be making people think twice about their behaviour on a night out. Fixed penalty notices are a valuable tool in keeping our town centres safe.

"The extra officers are not just there to give out fines or make arrests though – giving assistance to those drinking responsibly also makes for a safer and more enjoyable atmosphere."

Fixed penalty tickets are issued before people's behaviour worsens to prevent more serious crime. During the first three months of the operation, 179 fixed penalty notices were issued for public order offences.

Appeal over spray attack

NEIGHBOURS investigating noises coming from an empty house at Haverhill were sprayed in the face by a man who ran out of the property.

Police are treating the incident, which happened just before 8pm on Saturday, August 18, as aggravated burglary and are appealing for information.

Neighbours heard noises coming from a house on Beech Grove, which was unoccupied at the time.

When they went to investigate, two white males wearing dark clothing ran from the house.

As they ran past two of the neighbours, one of the men sprayed an unknown substance at their faces.

Anyone with information should contact Dc Rachel Johnson at Haverhill Police Station on (01284) 774100.

Who is Pilates for: everyone, regardless of fitness level. For example, anyone wishing to improve their total fitness, posture and appearance, or professional sportspeople using advanced conditioning programmes to enhance performance. First time exercisers might find it a gentle introduction to exercise, whilst the keen sportsman may find it a useful cross-training method and a means to stay injury free. Its controlled approach means that it gives much longer-term results, and is especially recommended for those with back problems.

Café plan given go-ahead

BY Jo Deeks

Email: editorial@haverhillweeklynews.co.uk

ALFRESCO dining in front of a café in Clare has been given the go-ahead despite objections from the parish council and neighbours.

An application for an outside seating area at the front of Café Clare in Well Lane has been approved following a site inspection by members of St Edmundsbury Borough Council's development control committee.

A patio area at the back of the cafe, run by Paul Church, can also be retained.

Clare Parish Council had objected to the plan for the Grade 2 Listed Building within the Clare Conservation Area on the grounds that seating on the highway would obstruct pedestrians and users of wheelchairs and motorised vehicles using the footpath. It also felt that not enough details were given of measures for the rear seating area to prevent impact on neighbours. The parish council said it would also reject an application to extend the hours of the business.

Two letters had raised concerns about loss of privacy and light to neighbours, disturbance from noise and smells, the negative impact on the residential area, the out of character obstruction of the highway and that no suitable fire exits existed.

The report to the committee said there was ample space to provide two sets of tables and chairs in front of the café without any safety issues. No objection had been raised by the Highway Authority. Noise would be minimal and the tables would add to the vitality and viability of the centre.

Copier gift to group

A NEW photocopier which will allow charity groups to have leaflets and newsletters printed free has been donated by a county councillor. Suffolk county councillor Tim Marks paid for the £2,500 machine out of his locality budget and handed it over to the Haverhill Association of Voluntary Organisations at its office in Lower Downs Slade, Haverhill. Michael Simpkin and Mick Smith of HAVO gratefully received the machine. The group used to share the copier belonging to the Haverhill Advocacy and Mentoring service, but has been left without one since HAMS closed earlier this year.

■ WELCOME GIFT . . . Coun Tim Marks presents the photocopier to Mick Smith, chairman of HAVO, centre, and secretary Michael Simpkin.

New sports awards launched

SPORTS stars and unsung heroes will be honoured in the first St Edmundsbury sports awards next month.

Abbeycroft Leisure will host its inaugural sports awards on September 16 at the Corn Exchange, Bury St Edmunds.

The event has been launched to recognise and reward the individuals and teams who have achieved outstanding performances in their chosen sports in St Edmundsbury.

It will also serve as an opportunity for the coaches, volunteers and other unsung heroes to be recognised for their hard work and dedication, without which many people would not have had the chance to participate in sport within St Edmundsbury.

Abbeycroft Leisure manages both Haverhill and Bury St Edmunds leisure centres. Alison Bowyer, acting chief executive, said: "All of us here at Abbeycroft Leisure are really looking forward to our first ever sports awards and I'm sure it will be a great success."

"There are so many people involved in sport and leisure in St Edmundsbury who deserve some recognition for all that they do and we feel this a great way of doing it!"

The deadline for nominations has now passed but further information on the 2007 sports awards and other upcoming Abbeycroft Leisure events can be found on www.acleisure.com

Plea for missing cat

TWO-YEAR-OLD Kimberley Golding is heartbroken at the loss of her family's cat and hoping she will be found.

Willow is a three-and-a-half-year-old pedigree chocolate point Siamese cat who has not been seen at her home in Church Park, Stoke by Clare, since 8.45am on July 24.

Alison Golding said her daughter was constantly in tears over the missing pet and urged anyone who found it to contact her on (01787) 277970 or Suffolk Police on (01284) 774100.

Search for the top sunflower

THE search is on for the tallest sunflower.

Free sunflower seeds were given out earlier this year at the launch of the Haverhill in Bloom campaign and the time has come to measure up and find the tallest.

The winner will receive £25, along with details of their plant inscribed on a plaque generously donated by St Nicholas Hospice. The sunflower is the symbol of the hospice movement.

The event is also supported by the Haverhill Weekly News.

Tim Radford, chair of Haverhill in Bloom, said: "Last year's winning entry was an enormous 3.57m (11ft 7in).

"I am looking forward to seeing this year's entries. Who knows, perhaps this year's winner will be even bigger. So tape measures out and good luck."

To lodge the height of your home-grown sunflower, call the Haverhill in Bloom hotline at Solutions in Recruitment on (01440) 707922; email tim@haverhillinbloom.org.uk or visit the offices at 5 Queen Square, Haverhill.

All entries must be in by 5pm on Tuesday, September 11.

Team digs deep for new season

HAVERHILL Rugby Club is digging deep for the new season following successful pre-season training.

After finishing in a respectable fifth place in the Eastern Counties League, Division Two last season, the team is hoping to improve on last season's position.

Club House manager Allison Woodley says: "We are hoping to improve on last seasons efforts and maybe even win the league. We made the Suffolk Plate Final last season but unfortunately we lost it in the last five minutes of the match."

Founded in 1965, the club first started playing on the grounds of the Castle Manor School. Today the Castle Playing Fields on School Lane is the club's home ground.

The first team has welcomed some new additions to the team ready for the new season. The strengthened squad is still open to new players however, and anyone wanting to join the team

■ **FIELD OF DREAMS**... Haverhill Rugby Club team trains.

is welcome to go along to the training sessions on Tuesday and Thursday nights at 7pm.

The club also has a successful youth side which will be playing its first match on September 15. The ladies Tag Rugby section is open for female's age 15 years upwards with training sessions held on Saturdays at 11.30am and Tuesdays at 7pm on the Castle Playing Fields.

Haverhill Rugby club will take on Broadland in their first league match on September 8. Broadland will be tough competition for Haverhill who will take on the Norfolk team at home. Kick off will be 3pm.

■ **LINE-OUT**... discipline and communication is learned in practice.

For more information about the club please call Haverhill Club House on (01440) 702871.

Children in nature rambles

FEATHERS and flowers were discovered by youngsters exploring their local park. Children from Ruth Jenks Childcare holiday club finished their nature walk at East Town Park in Haverhill with a visit to the ranger station.

John Taylor, the assistant ranger, helped to identify their nature finds, amongst which were sedge, burdock, magpie and dove feathers, Lords and Ladies flowers, elderberries and "helicopter" seeds from the sycamore tree.

This was part of a varied programme for the summer holidays which has included the use of the local play scheme, visits to wave pools and theme parks, farms, play centres and the use of equipment from Circuit Entertainments.

Ruth is an experienced registered childminder currently bearing Ofsted's "outstanding" category for her work and setting.

Ruth runs a breakfast and after school club for children of Coupsals Primary School and offers flexible childcare from birth to five-year-olds, seven days a week. Childcare places are currently full but inquiries for places from October onwards or occasional care can be made on (01440) 705185.

■ NATURE FINDS . . . John Taylor, assistant country park ranger, with young explorers, from left, Jordan Darlington, Isobelle Taylor and Rhys Battle. CP.

Tour aims to boost job skills

A SKILLS tour to help people become better equipped for the workplace will visit Haverhill next month.

The Learning and Skills Council (LSC) will be touring town centres across the east of England with a distinctive mobile exhibition centre in August and September as part of a major push to encourage residents to take control of their future by acquiring better skills.

Following the high-profile national launch of the new skills campaign *Our future. It's in our hands*, the skills tour will visit towns in the east to demonstrate how much help is available to individuals to improve their skills.

At present 4.3 million adults in England have no qualifications at all, which is one in seven of the working age population. With predictions that in less than 10 years there will be very few jobs that require no skills at all, workers need better skills than ever before.

Visitors to the exhibition will find out about the wide variety of courses available and whether they qualify for financial help.

The exhibition centre will visit Haverhill Market Square on Thursday, September 6, between 10am and 4pm.

The magic returns to arts centre

THE waiting is over – *Harry Potter and the Order of the Phoenix* (12A) is finally at Haverhill Arts Centre.

Harry comes of age in his fifth year of study at Hogwarts. He's desperate to get back to school and find out why his friends Ron and Hermione have been so secretive all summer. There's his first screen kiss as well as preparing a small group of students to teach them how to defend themselves against the Dark Arts. To top it off are dreams that Harry can't explain, and a mystery behind something Voldemort is searching for.

The final screenings are on Friday at 11am and 7.45pm.

■ Due to essential maintenance at the arts centre, the box office will be closed from Monday to Wednesday next week. It will reopen on Friday from 10am to 5pm, and Saturday from 10am to 4pm. The bistro will be open from 10am to 4pm. Normal service will be resumed from Monday, September 10.

■ Following the maintenance work, the centre's new brochure comes into its own, starting with Outspoken Theatre, who will present Shakespeare's *Measure for Measure* on Saturday at 7.30pm.

■ For more details about the shows, or to book, phone (01440) 714140 or go to www.haverhillartscentre.co.uk

HAVERHILL Arts Centre is promoting its first season of French cinema in September and October. The films being shown as part of the season are:

Paris, Je T'aime (15): A collection of 18 short films about love and Paris made by an international assortment of directors, including the Coen Brothers, Alfonso Cuarón and Gus van Sant. Pieces range from whimsical to romantic, to dramatic and tragic. *Paris, Je T'aime* is on Monday, September 10, at 7.45pm.

La Vie en Rose (12A): A well-reviewed biopic of *Little Sparrow*, singer Edith Piaf is played to great acclaim by Marion Cotillard who captures perfectly Piaf's bravado, brilliance and self-destructive bent. This will be shown on Monday, September 24, at 7.45pm.

Tell No One (15): An adaptation of the bestselling thriller of the same name. Full of suspense with an intriguing multi-layered plot, this film is also beautifully shot with a cracking soundtrack and stars Kristin Scott Thomas. It will be shown on Monday, October 8, at 7.45pm.

Lady Chatterley (18): Lady Chatterley won numerous Cesars (the French equivalent of the Oscar), including best film and best actress. This sensual and poignant, yet unsentimental love story, is described as a masterpiece. It will be shown on Monday, October 22, at 7.45pm. Arts centre programmer Nick Keeble said: "It is quite a lean time for quality films at the moment and we are looking for new ideas to promote non-mainstream cinema in the town. We have a growing audience for foreign language films and as these four excellent films, linked with or filmed in France, have recently

been released, we have decided to promote them as part of a French Cinema Season.

"We are offering a French cinema season ticket, giving purchasers the opportunity to attend four films for the price of two.

"We are hoping to build a regular audience for arthouse,

independent and foreign language films in order to offer an alternative to mainstream cinema."

Tickets for individual films are £5 and £4 concessions. The season ticket is £10 and £8 concessions. To book tickets, ring the box office on (01440) 714140.

Chance to view apartments

WOODBERRY Homes are launching two view apartments at Water's Edge on Saturday.

The new development of 62 apartments in Withersfield Road, Haverhill, is starting to take shape and the first owners have started to move in to the finished apartments.

While all of the fully-built flats are sold, there are still units available to buy off-plan, and further releases are due shortly in the blocks still under construction. The view

units will give an idea of the style of apartment buyers can expect and the choices that can be made for off-plan reservations.

Samuel Cooke, of selling agents Cheffins, said: "We have reserved well over 40 of the 62 apartments at Waters Edge without anyone actually having seen anything. Now that the front buildings are finished and there are two views units, I'm sure the remainder will quickly follow.

"The general response from those who have bought on the site and also the general public has been very positive. It's now easy to see that, once complete, the site will be among the most desirable places to live in an apartment in the town."

The view units will open for the first time from 9am-4pm on Saturday.

For further information, call Cheffins on (01440) 707076.

Show homes success for Abbey

THE LAUNCH of the show homes at Barnaby Way, Abbey Homes' new development off Chalkstone Way in Haverhill, was a great success.

More than 50 people arrived on the first day to see the fully dressed 'Sudbury' show home, and deposits were taken on three plots of the same house type that day. A further two plots of different types were also reserved.

Jamie Warner of Cheffins, the selling agents for Barnaby Way, said: "We had hoped people would like the show homes and were confident that once people could see what they were buying they would realise what excellent value Abbey Homes offer, but to take five reservations on the first day was better than we could have expected."

This flurry of reservations has prompted Abbey to release further plots of various styles and sizes, widening the choice for potential buyers. Currently available are a luxury two-bedroom, two-bathroom apartment for £139,995, a three-bedroom home on a generous plot with en suite and garage for £204,995, and a smart four-bedroom townhouse for £199,995.

The show homes are open from 11am-5pm, seven days a week. For more information, call the sales office on (01440) 707770 or Cheffins on (01440) 707076.

Citroen lifts lid on new soft top

CITROËN will reveal its head-turning C5 Airscape concept car to the world at this year's Frankfurt Motor Show.

Featuring a carbon-fibre folding roof, striking styling and innovative technology, much of which is designed to minimise its impact on the environment, this all-new design provides a fresh take on the world of executive cabriolets.

The high waistline, ribbed panels, C6-style concave rear window and sleek, aerodynamic profile help to communicate the Citroën C5 Airscape's exclusive status, while the distinctive exterior design is further enhanced by the 19-inch alloys, large air-intakes, twin chrome tailpipes and long incisive headlamps.

Without question, one of the 4-seater C5 Airscape's defining characteristics is the automatically folding top. Complete with integrated sunroof and textile lining, this carbon-fibre roof resembles a canvas one, a feature so suggestive of up-

market cabriolets.

It opens to reveal a sumptuous interior of dark-brown leather and chrome, reflecting the refined and sophisticated nature of the car. The clean, sculpted lines of the dashboard sit alongside the stylish design of the instrument cluster and air vents, while Citroën's concept is also equipped with a new-style fixed centred controls steering wheel, incorporating touch-sensitive buttons enveloped in a thin membrane-like covering.

The latest in a line of green Citroën concepts, the C5 Airscape showcases important and innovative technology. Fuel economy is managed by an 'UrbanHybrid' system that includes a reversible alternator-starter and super capacitors. This system allows onboard equipment, such as the air conditioning or audio system, to be powered by energy recovered during braking and deceleration, while engine torque can be temporarily boosted when required.

pro_cee'd turns on the style

■ PRO_CEE'D . . . Kia's sporty image is revealed to the public.

LONGER, lower and lighter than its five-door sister car, the new Kia pro_cee'd – to be debuted at the Frankfurt International Motor Show on September 11 – brings yet more style and more sportiness to the C-segment in Europe.

The 4250 mm long pro_cee'd delivers class-leading passenger and luggage space. The cee'd family wheelbase (2650 mm) is retained, so despite its lowered, sporty appearance, pro_cee'd provides generous legroom front and rear, and luggage capacity with the rear seats upright matches the five-door model. The 19-model line-up of three-door hatchbacks is scheduled to go on sale early next year.

The larger pro_cee'd doors with their extra-wide 70 degree openings ensure good access to the rear seats. To boost practicality, Kia's designers re-styled the rear seat cushion, which is now fixed, and re-engineered the 60/40 split backrest so that it is easy to release and simply folds down onto the cushion with no need to remove the head restraints.

With pro_cee'd, Kia is offering customers the full choice of cee'd f a m i l y powertrains – five Euro4 compliant engines, with power outputs covering a 89bhp to 141bhp range, and three transmissions – as offered in the f i v e - d o o r hatchback and wagon models.

Like its s i b l i n g s, pro_cee'd will also be available with three equipment levels plus 12 exterior colours and a wide range of optional extras – so that each customer can create a 'personalised'

vehicle to suit their needs and tastes. The optional Sports Pack, which comprises 17-inch alloy wheels with 225/45 R17 tyres, stiffer dampers, sport-concept interior trim (with 'tyre-track' pattern fabric and silver stitching, plus alloy pedals and stainless-steel door-scoff plates) is expected to be a popular choice with pro_cee'd buyers.

CRICKET ROUND-UP

■ UNDER MY UMBRELLA . . . former West Indies Test star shelters from the rain, along with Haverhill captain Rob Sullivan.

■ RUBBING SHOULDERS . . . Haverhill players (light blue kit) mingle with the world stars of Lashings CC.

Picture: Richard Patterson 429225

Big-hitting Dellar puts all-star attack to sword

ADAM Dellar smashed an unbeaten 71 off just 28 balls, but it was not enough as Haverhill pushed the Lashings world XI close, but eventually went down by 44 runs at Manor Road last Thursday. The wet weather meant that both sides were given just 15 overs each to show what they could do with the bat. Lashings, boasting the top names such as Pakistani Rashid Latif and New Zealanders Chris Harris and

Chris Cairns, put on 166 for 3, thanks to a 67 not out from Cairns. But Dellar showed no fear against the all-star visitors to hit eight sixes and two fours in his knock, but Haverhill fell short on 132 for 6 off their allotted overs. Haverhill skipper Rob Sullivan said: "We had a brilliant time despite the wet weather. It was a pretty close game in the end, but it was a wonderful day for the club."

GOLF

Haverhill juniors eclipse seniors

HAVERHILL Golf Club's senior players had a rare off week, as they struggled to find any form.

Of the three matches they played, two ended in defeat and the other was drawn. The draw was achieved by a mixed team at Colne Valley, while the men suffered the two losses, both at Coupals Road. The first was against the home juniors, who finished 7-5 up in the annual challenge game and the second was to a visiting Towerlands team.

■ The Saturday competition for the R Brown Cup – a 36-hole handicap event – was won by Graham Ashcroft, who followed up a morning round of 66 with a three over 73 for a total of 139, which was two ahead of runner-up Ted Fairhead. Also on 141 were Robert Scott and Andrew Fish.

Leading scores: G Ashcroft 139, E Fairhead, R Scott, A Fish 141, L Chandler 142, M Stuart, K Ward 144, J North 145, E Bareham, R Gitty 146, B Graham, M Stanton 147, S Turner 148, J Warwick 150, D Edwards 151, G Donaldson 154, C Sisson 157, W Penman, M Robinson 159, P Bowers 160, D Chapman 165, M Dalena 171.

■ The following day, the R Woolmer Greens Trophy was the featured event at Coupals Road and this was captured by Lee Chandler (65).

Two shots back were Stuart King and Brian Jones.

Leading scores: L Chandler 65, S King, B Jones 67, T Daniels, D Thomas, D Perrett, G Ashcroft 68, S Piotrowski 69, Josh Brown, D Cohen 70, C Sisson, J Thomson, D Galloway, A Spittle 71, G Price, M Elsworth, G Baird 72, D Bates 73.

Ketteridge's wickets fail to avert defeat

THRIPLow claimed their first win in three attempts against Horseheath in Division One of the Cheffins CCA Senior League on Saturday.

On a damp track, Dan Goldsmith top-scored with 40 for hosts Horseheath as they compiled just 128 all out.

Dickon Turner, returning from a three-week absence, took 5 for 28 from an exemplary 12 overs for the visitors, while Andy Morris collected 2 for 30.

Chris Neild's men found themselves in real trouble in reply as they stumbled to 68 for 7, largely thanks to the efforts of Stuart Ketteridge, who bagged 5 for 34.

But Martin Craze contributed 24 and Morris held his nerve to remain unbeaten on 26 as Thriplow reached 131 for 8 with two overs to spare.

■ Weston Colville's total of 112 was never going to be enough to deny Cambridge NCI as they eased to 113 for 3 with just under five overs to go for a seven-wicket win in Division Two of the Tucker Gardner Cambs and Hunts Premier League.

■ It may not have been the way they wanted, but Haverhill go up to Division Two of the Marshall Hatchick Two Counties Championship as league champions after their final match of the season with second-placed Kelvedon on Saturday was cancelled.

The leaders got an official umpire down to their Manor Road ground to inspect the wicket, which he deemed unfit for play following last week's wet weather. Nevertheless, Haverhill captain Rob Sullivan was delighted to win the league and is already thinking about next season.

■ HITTING OUT . . . Dan Goldsmith, who made to score for Horseheath in their two-wicket defeat by Thriplow on Saturday.

He said: "We've been promoted the last two years now, and although we would have liked to have played, we're delighted to win the league. We're already starting to look at changes in our training and want to bring new players in ready for next season."

Thurlow notch up tournament double

NEWLY-former Thurlow Youth held a football fun day, which despite persistent rain, proved a great success.

The event was based around a mini-soccer tournament for under-10s and under-11s with sideshows and a barbecue to help with fund raising. The teams played a round-robin format with the two teams finishing top of their age group playing in a final.

Thurlow under-10 played four games, drawing three, winning one and conceding only a single goal, which earned them the runners-up spot and a place in the final, where their opposition was Newmarket Town.

Newmarket had drawn with Thurlow in an earlier game and were the only team, who had beaten the Thurlow goalkeeper.

A tense final saw few clear goalscoring chances, although Thurlow looked the more likely to break the deadlock. All square at the final whistle meant the game went to penalties. Some cool heads and two fantastic saves from the Thurlow keeper ensured victory for his side.

The under-11s made it a win double for Thurlow. After playing their three matches, winning all of them, scoring 13 goals and conceding none, Thurlow's opponents in the final were a rapidly improving Haverhill Rovers team, who had grown in confidence as the tournament progressed. A hard-fought match ended with a 2-0 victory to Thurlow.

The climax to the day was a round-robin tournament between AFC Thurlow and Hempsted FC, whose home pitch is Thurlow Rec, along with a team made up of coaches and parents from Thurlow Youth.

After three tough, but friendly games, Hempsted took the first Thurlow Round Robin Trophy by winning both of their matches.

In the other match, AFC were beaten on penalties after drawing 2-2 with Thurlow Youth.

A Thurlow Youth FC spokesman said: "We wish to thank everybody who participated in the event and a special thank-you to all the friends and families who gave up their time to help out even in the horrible weather conditions."

FOOTBALL

Rovers' fine run is halted

HAVERHILL'S 24-match unbeaten league streak was finally ended by reigning champions Wroxham at Hamlet Croft on Saturday.

But newly-promoted Rovers were only denied what would have been an impressive draw by a stoppage-time free-kick, which condemned them to their first defeat since

RIDGEON'S LEAGUE, PREMIER DIVISION

Boxing Day when they were in the First Division.

Things started well for the home side, who won a penalty on 22 minutes for a foul on Marc Abbott.

Haverhill's skipper Marcus Hunt converted, sending the Wroxham goalkeeper the wrong way.

But Wroxham equalised

on 67 minutes when an attacker was allowed to cut inside two Haverhill defenders before firing past keeper Arron Benstead.

And they clinched the points in the third minute of stoppage time from a 35-yard, which took an unkind bounce to deceive the unfortunate Benstead.

Haverhill Rovers: Benstead, Farrington, Goddard, Heller, Vowden, Harvey, Abbott, Hunt, Adam Salmons (Kent), Stokes (Banham), Green (Holder).

■ Rovers are back in FA Cup action on Saturday when they travel to Walsham le Willows for a preliminary round tie.

Walsham beat Rovers to the Ridgeon's League, First Division title by three points last season.

Providing there is a definite outcome to the match at Walsham, Haverhill will travel to Harwich and Parkeston for a league match on Tuesday evening.

BOWLS

Haverhill's Liam battles his way to national final

HAVERHILL'S Liam Botten turned in one of the best performances when North Essex players competed in the English Bowling Federation Championships at the Suncastle greens in Skegness. Botten turned in some excellent performances to reach the final of the under-25 singles, where he put up a spirited effort before going down 21-15 to Norfolk's David Smith.

Prior to this, the Haverhill man had been involved in arguably the match of the tournament when he took on Paul Slaughter, from Northumberland, in the semi-final.

The match started with Botten going into a commanding 14-point lead before his opponent got a look in. Then, by employing some strange tactics with the jack delivery, Slaughter eventually caught and passed Botten to lead 18-16. Botten then dug deep and regained the lead at 19-18 and eventually got to the last end at 20 shots all.

The final end saw Botten clinch victory with a superlative draw shot gaining the loudest cheer of the day from the spectators. Earlier in the week, Botten, partnered by his father, Steve,

had represented North Essex in the men's pair tournament, but they failed to progress beyond the opening round. Steve Botten enjoyed better fortunes in the four-wood singles, where he was eventually eliminated at the semi-final stage. There was little success for other bowlers from the Haverhill area among the North Essex contingent with Gramplan's Tracy Taylor going out in the quarter finals of the lady secretaries' singles.

Haverhill's Shirley Purr, Ethel Parkhurst and Steph Smith fell at the first hurdle in the ladies' three-wood triples competition. Apart from Liam Botten, the only

other North Essex finalists were Boxford's Gerald Rice, George Bullett and Gordon Williams in the men's three-wood triples. Despite North Essex returning without any champions, county presidents Grace Cutts and Bob Smith expressed their delight at the performances of their players, stating that overall, the results were reasonably satisfactory, many of the competitors had been for the most part unlucky to lose when they did.

"It was, of course, disappointing to come home without a national champion, but, nevertheless, the county can be proud of its two defeated finalists," they stated.
